

VISION

A Vision for Discipling Men, Training Leaders & Strengthening Communities

ABOUT OUR ORGANIZATION

→ OUR MISSION

We are committed to reaching, restoring, and reigniting the faith of men who have become lost or separated from God and His church.

By equipping men to embrace biblical manhood, we coach and guide them back into a thriving relationship with Christ and His church.

The Lodge fosters spiritual and leadership growth for unchurched, de-churched, and disengaged churched men, while also serving families and churches through community connection and meaningful gatherings.

→ OUR VISION

To be a transformative hub where faith, leadership, and community thrive.

The Lodge offers a masculine, safe harbor for men—outside of the traditional church model—where they can rest, grow, and pursue Christ together.

Our long-term vision is to empower others to establish Lodges in their own communities, expanding the reach of biblical manhood and discipleship.

PROBLEM

Many men today feel spiritually lost, disconnected from God, and isolated from authentic brotherhood. Traditional church settings often fail to engage:

Unchurched Men

Men with little or no exposure to Christian teachings, lacking spiritual foundation or community.

Disengaged Churched Men

Men who attend church but remain uninvolved—disconnected from ministry and spiritual growth.

De-churched Men

Men who walked away from church due to hurtful experiences or disillusionment with leadership.

Fatherless Young Men

Boys growing up without strong male role models, often unsure of their identity or biblical manhood.

This disconnection leads to a lack of leadership, purpose, and community. At the same time, fatherless young men are growing up without strong male role models—leaving them vulnerable to confusion about identity, manhood, and faith.

SOLUTION

The Lodge provides a transformative environment designed to re-engage men spiritually, emotionally, and socially. We offer a masculine, faith-centered space that fosters biblical manhood, leadership, and brotherhood. Through our multipurpose facility, mentorship programs, and leadership training, we deliver practical, spiritual solutions to today's disconnection crisis.

We meet the growing demand for spaces that engage men outside of traditional church environments—especially those who feel spiritually disconnected.

Rooted in discipleship research and the Rare Leadership model, our programs are built for lasting transformation and relational impact.

De-churched Men

Men who have walked away from the church due to past hurt, hypocrisy, or disillusionment—still spiritually curious but unsure where to turn.

Disengaged Church Men

Those who attend church but remain uninvolved in men's ministry or spiritual growth, lacking deeper connection or purpose.
